

REQUEST FOR PROPOSAL

After-School Meals

APPLICATIONS DEADLINE: Rolling

Grant Awards: On quarterly cycle beginning Jan. 1

The Child and Adult Care Food Program At-Risk (CACFP At-Risk) is a federally funded program that after school programs.

After-School Enrichment Programs: CACFP reimburses eligible programs for serving nutritious meals and snacks to children and teens after their school days ends and on non-school days during the school year.

In Minnesota, CACFP At-Risk is significantly under-utilized. According to data from the Minnesota Departments of Human Services and Education there more than 400 after-school youth program sites that could expand meal offerings to include a supper meal.

We have identified three initial not-in-school-time opportunities to feed hungry children:

- Start a CACFP At-Risk Meal Program at your school
- Increase enrollment by youth programs in CACFP At-Risk Meal Program
- Transition school sites currently offering snacks through the School Nutrition Program (SNP) to CACFP At-Risk suppers

Grants ranging from \$2,500 to \$5,000 will be awarded to individual and multi-site After-School Program Sponsors, and potential sponsors to expand the number of children who receive nutritious meals through the CACFP At-Risk program.

Grants will be evaluated based on these criteria:

- Approved CACFP sponsor
- Ability to become a CACFP sponsor
- Site located in area eligible location
- Number of children to be served
- Number of days of operation
- Ability to pilot new strategies to increase the number of CACFP At-Risk meals
- Child Nutrition Index Data
